A significant portion of Muslims—especially those between the ages of 13 and 30 who have grown up with the internet—have adopted an **egocentric** mindset that **promotes self-love and prioritizing oneself above all else.** Additionally, many have become distanced from seeking authentic religious knowledge.

So, they have fallen into disbelief, knowingly or unknowingly, by justifying what is forbidden. This includes, for example, not considering homosexuality as a major sin, but as a matter of personal freedom, denying the obligation of hijab for women, rejecting the belief in predestination, and disregarding the Sunnah by claiming that the Qur'an alone is sufficient. These trends are increasing rapidly.

As the Messenger of Allah ﷺ said:

Be prompt in doing good deeds before you are overtaken by trials as dark as a portion of the night. A person may be a believer in the morning and turn to disbelief in the evening, or he may be a believer in the evening and turn to disbelief by the morning, selling his faith for worldly gains.

(Related by Muslim, Al-Tirmidhi, and Ahmad.)

Therefore, Allah has imposed an enemy upon the Muslims, one who shows them no mercy. This is why we witness so much war, destruction, and natural disasters—all serving as a reminder for Muslims to turn back to their Lord. For indeed, Allah does not change the condition of a people until they change what is within themselves.

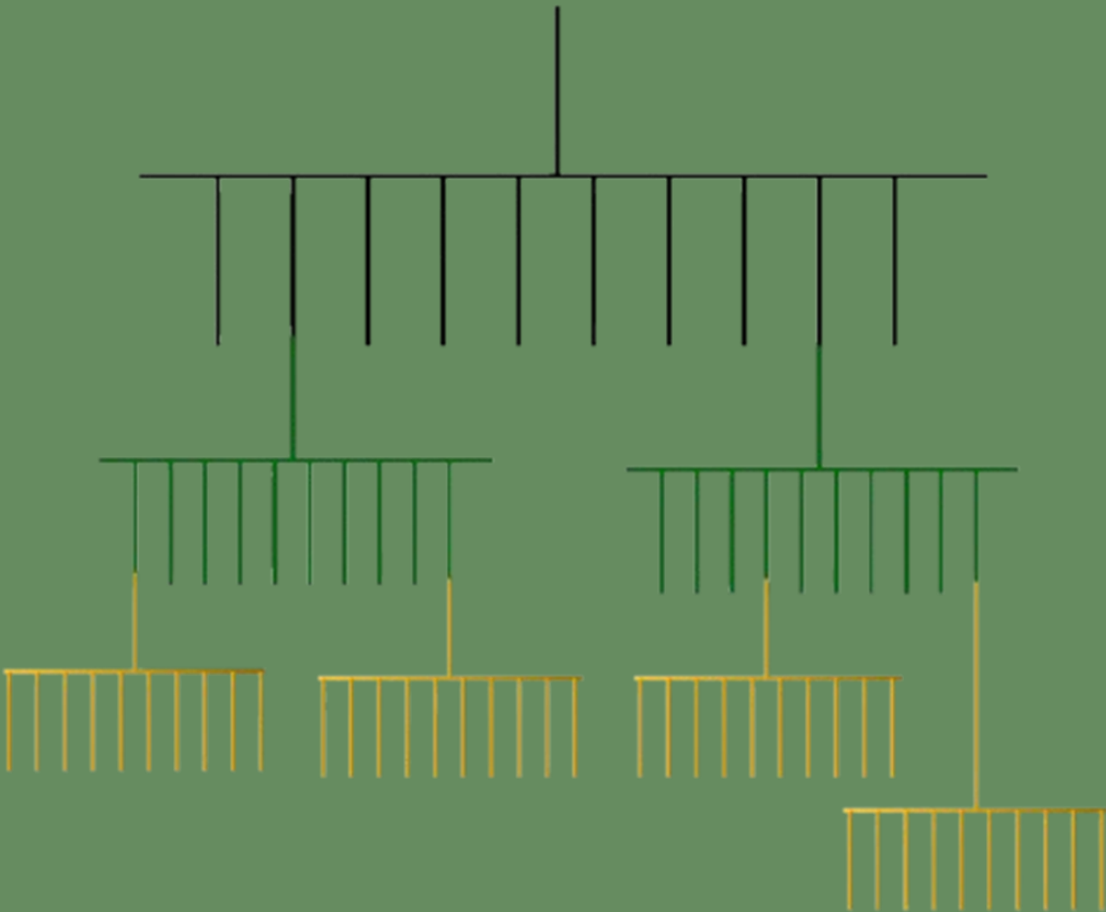

قال تعالى: (ظَهَرَ الْفَسَادُ فِي الْبَرِّ وَالْبَحْرِ بِمَا كَسَبَتْ أَيْدِي النَّاسِ لِيُذِيقَهُمْ
بَعْضَ الَّذِي عَمِلُوا لَعَلَّهُمْ يَرْجِعُونَ).

**Ar-Rūm - 41] Injustice, corruption and disasters
has appeared on land and sea because of what
the hands of men have earned (by oppression and
evil deeds, etc.), that Allah may make them taste
a part of that which they have done, in order that
they may return (by repenting to Allah, and
begging His Pardon).**

This initiative encourages over

A Billion Muslims

To commit to a daily practice of
Sending prayers and peace
upon the Messenger of Allah ﷺ

At least 300 x

Through this, may Allah Almighty
bring them out of darkness into light
and shower His mercy upon them.

To become an ambassador
for the Messenger of Allah ﷺ
I pledge to Allah Almighty
and His Messenger ﷺ an
unwavering commitment
that, by Allah's will, I will not
break.
I commit to do the following:

1

I commit to

**a daily practice of at least 300
repetitions of:**

**Allahumma salli 'ala Sayyidina Muhammad wa
alihi wa sallim**

or

**Allahumma salli 'ala Sayyidina Muhammad wa
alihi wa sahbihi wa sallim**

Then conclude with this supplication:

**O Omnipotent, You are the Omnipotent, for the
sake of Your Prophet, the Prophet of Mercy, lift
the affliction from this nation.**

I will make my best effort to:

2

Gather 10 or more people
—whether from my family, friends,
acquaintances, or neighbors, whether they
are in my country or elsewhere—and
encourage them to commit to this daily
practice.

3

I will Follow up with them daily
for at least two months to ensure their
commitment, whether by creating a group
or through any other means.

4

After 40 days or so,

I will select at least 2 or 3 people from this group to become ambassadors for the Messenger of Allah ﷺ

They will pledge to Allah the same commitment, continuing the initiative through its four principles and passing the pledge to others willing to carry it forward.

**And so, this practice will
continue to spread across
the world until the
majority of Muslims adopt
a daily routine of sending
prayers and peace upon
the Prophet ﷺ**

**Be an ambassador for the
Messenger of Allah ﷺ**

**With sincerity and commitment, I
pledge to you, my master, O
Messenger of Allah ﷺ, to uphold an
unbreakable vow.**

**I promise to spread prayers and
peace upon you across the world
through the initiative:**

Yes, I am Capable!

Notes

- This pledge means that you will consistently put forth your best effort. If you are not successful, remember that Allah does not burden a soul beyond its capacity.
- Recite the following prayer of repentance, known as the “Master of Repentance” (Sayyid-ul-Istighfar), considered the best supplication for seeking forgiveness:

(Allahumma Anta Rabbi, la ilaha illa Anta, khalaqtani wa ana 'abduk, wa ana 'ala 'ahdika wa wa'dika mastata't, a'udhu bika min sharri ma sana't, abu'u laka bini'matika 'alayya, wa abu'u bidhanbi, faghfir li, fa innahu la yaghfiru dhunuba illa Anta.)

(O Allah! You are my Lord, there is none worthy of worship but You. You created me, and I am Your servant, I uphold Your covenant and promise as best as I can. I seek refuge in You from the evil I have done. I acknowledge Your favor upon me, and I confess my sins. Forgive me, for none can forgive sins except You).

- You may gather ten people gradually, and it is not necessary for them to participate all at once.
- Everyone who sincerely participates in this initiative and becomes part of this pledge will receive the **full reward of the initiative**. As the Prophet ﷺ said: "Whoever introduces a good practice in Islam will have its reward and the reward of those who act upon it after him, without diminishing their rewards in the slightest." (Narrated by Muslim)

- **Why the number 300?** This is based on the saying of the Prophet ﷺ: “The people closest to me on the Day of Judgment are those who send the most blessings upon me.” (Narrated by Al-Bayhaqi)
- Scholars have suggested that reciting approximately 300 blessings daily is considered a significant amount.
- **No need to recite all 300 blessings consecutively.** They can be spread throughout the day in smaller batches, such as one hundred, two hundred, or three hundred, concluding with the specified prayer.
- **The numbers in the pledge represent the minimum effort** (as much as one can manage), and you are encouraged to exceed these numbers if possible.

- This campaign will continue spreading naturally from one country to another, with Allah's will, increasing the number of people committed to sending blessings upon the Messenger of Allah ﷺ daily. This will benefit not only individuals but also the entire Muslim community.
- Based on this model, the goal is to encourage one billion Muslims worldwide to send daily blessings upon the Messenger of Allah ﷺ within an estimated timeframe of 1½ to 2½ years, insha'Allah.
- Establishing this pledge is essential to ensure that each individual commits to the 4 key points. Through passing on the pledge, the commitment will spread, and, with Allah's will, the desired outcome will be achieved.
